

Keltron BC Series Battery Cabinet

Fabricated of heavy-duty 16-gauge steel

Heavy duty continuous hinge

Available in three colors

Keltron's BC Series battery cabinets provide a clean, secure and well-ventilated environment for standby batteries that support fire alarm, access control and security systems. These durable boxes are constructed of heavy-duty 16-gauge steel; phosphate treated, primed and painted red, beige or black.

BC Series features

- Enclosures are fabricated of heavy-duty 16 gauge steel
- Heavy duty continuous hinge allows easy installation and removal of standby batteries.
- Strong locks feature a camlock 6 disc tumbler, pressure cast finish US26D standard, and key number CAT-30 to resist tampering.
- Available in three colors: red, beige and black
