

Keltron DC Series Drawing Cabinet

Fabricated of heavy-duty 16-gauge steel

High security cam lock

Multiple options available

Keltron's DC Series drawing cabinets provide a clean, and secure environment for as-built, fire alarm, security or process control documents. Each enclosure is shipped completely assembled with keyed-alike cylinder lock, concealed stainless piano hinge and support arm that enable the door to be used as a desk. DC series enclosures are available from stock and custom sizes are available.

DC Series features

- Enclosures are fabricated of heavy-duty 16 gauge steel construction finished with red two-part epoxy for durability
- Heavy duty concealed continuous hinge and support arm.
- Strong locks feature a camlock 6 disc tumbler, pressure cast finish US26D standard, and key number CAT-30 to resist tampering.
- All components concealed and secured to prevent unauthorized access or damage
